## **Meth Makes You UGLY** Presentation Request Form

### **MENU OF “METH MAKES YOU UGLY” PRESENTATIONS:**

- 1 classroom presentation (50 or 90 minutes) – includes student activities  
Plus 2 follow-up student activities for teachers to use with their own lesson plans
- 1 parent presentation – (60 or 90 minutes)
- 1 school staff presentation – (60 or 90 minutes or 45 min. for end of school day)
- LifeSkills – for Middle Schools - Contact MAPP-SD for more information

**Handouts:** Master copies of handouts can be left following the presentation for Teachers/Administrators to reproduce for students.

**Parent Newsletters:** MAPP-SD has produced parent newsletters that can be used by the school to distribute to parents. The first newsletter will promote and explain the classroom presentations. The remaining 4 educational newsletters can be used/sent out by the schools at any time during the year to help parents understand the dangers and consequences of meth use and manufacture. The newsletters also offer tips on how to talk to a loved one about concerns related to drug and alcohol use.

**Prevention Programming:** In order to help in planning, please provide the following information  
(Your school's Safe & Drug Free Schools and Communities Coordinator should be able to provide details.)

Which of the following are being used in your school?

#### 1) Curriculum

Life Skills Training  Project Alert  Project Northland  All Stars  Quest  Second Step  
 Other (please list)

#### 2) Other Prevention Programming/Efforts

Improvisational Theater  Youth to Youth  Peer Helpers  Red Ribbon Week  TATU  
 Other (please list)

**Please send/fax or email your request to:**
